OPCION A : Read this text carefully.

In the past in many countries, the father worked and the mother stayed home, took care of the children, and did the food shopping, cooking, and cleaning.

Nowadays in many families, both parents work, so they both have to do shopping, cooking, and cleaning in their free time. Parents, therefore, don't have as much time with their children as they used to have in the past. There are also many single parent families. In these families, the single parent has to do everything.
